

## OUR MISSION?

Empowering speech-language pathology and audiology professionals through advocacy, education and networking across South Dakota

93 licensed  
Audiologists in SD

**Audiology:** Audiologists are health care professionals who provide care in prevention, identification, diagnosis, and evidenced-based treatment of hearing, balance, tinnitus and other related hearing disorders for people of all ages.

564 licensed  
SLPs and 76 SLPAs  
in SD

**Speech-Language Pathology:** Speech-Language Pathologists (SLPs) are professionals who work to prevent, assess, diagnose, and treat speech, language, social communication, cognitive-communication and swallowing disorders in children and adults.
