

# Speech Language Pathologist - \$10,000 Sign On Bonus

**\*Come Join our Fast-Paced Speech Therapy Team in South Dakota\***

**\*Competitive Wages \* Flexible Schedules \***

LifeScape is seeking an interested candidate to join our dynamic and collaborative team as a full-time pediatric Speech Language Pathologist at our outpatient Autism and Child Development Center or RISE Custom Solutions location in Sioux Falls, South Dakota.

LifeScape offers a supportive and unique working environment, allowing you to serve as a positive influencer in the lives of the children and families we serve. We, as a company, strive to provide quality care in a fun, child-centered environment that helps advance our clients' communication skills to their optimal capabilities. As a valued member of LifeScape's therapy team, you will be part of a regional leader in pediatric therapy and services for children and adults with a variety of speech, language, and cognitive limitations.

Speech Language Pathologists within the LifeScape community have the unique opportunity for frequent partnership with other SLPs and a variety of additional therapeutic disciplines, with the option for co-treatment sessions as appropriate. As a SLP in Sioux Falls, you have the ability to become involved working in a variety of specialty areas, including Augmentative and Alternative Communication, feeding and swallowing therapies, complex communication needs, autism evaluation and treatment, and supporting clients with tracheostomy/ventilator needs.

Our organizational culture, called The LifeScape Way, is based on our mission of empowering people to live their best life. You would support LifeScape's vision to be an innovative organization, providing exceptional services and creative solutions for people with varied needs and complex care across their lifespan by demonstrating our values of integrity, compassion, respect, safety & wellbeing, fiscal responsibility, excellence, and accountability.

## **LifeScape Advantage:**

- Comprehensive team including physical therapists, occupational therapists, speech-language pathologists, and certified orthotist/prosthetists with the ability to access LifeScape psychologists, behavior therapists, and educators for additional support
- Flexible scheduling options in an upbeat and professional work atmosphere
- Frequent opportunities for personal and professional development through mentorship and training opportunities both on- and off-site. The company

fosters leadership and growth in areas in which therapists are interested or want to specialize by providing financial assistance for continuing education.

- Ability to advance current programs as well as develop new programs
- Clinical and administrative staff work closely together as mutual goals are to improve our client's lives
- Foundation assistance for purchasing therapy equipment and supplies

**LifeScape is a qualifying employer under the Public Service Loan Forgiveness Program**

## **EDUCATION AND EXPERIENCE**

- Masters or Doctorate degree in Speech Language Pathology from an accredited Speech Language Pathology Program
- Current Certificate of Clinical Competence from ASHA or eligible to enter Clinical Fellowship Year (CFY)
- Current license or eligible for licensure in South Dakota
- Valid driver's license and clean driving record required
- Prior Speech Therapy experience with pediatric population preferred

## **Why Work For Us?**

### **We are Mission-Driven**

Our mission is: Empowering people to live their best lives.

### **We have a Vision for our future**

LifeScape will be an innovative organization, providing exceptional services and creative solutions for people with varied needs and complex care across their life span. Through collaborative partnerships, LifeScape will become a destination for research, and the development, implementation, and training of technology-based solutions to improve the lives of people we support.

### **Our Values**

Integrity  
Compassion  
Respect  
Safety & Well-being  
Fiscal Responsibility  
Excellence

## Accountability
